THIS IS UNEVALUATED INFORMATION.

- ABST*
1. A military training center is located in Lodz. \* This army installation consists of three garages, two small arms firing ranges, and a fairly old three-story building on the corner of ul. Piotrowska and 8go Marca in Lodz. In 1960 the original wire netting fence was replaced by a wall to prevent anyone from looking into the installation.
  2. The installation has been used since 1957 as a training center for AA defense by students of the Lodz Polytechnic. The students are required to take this training in addition to their basic military training. Theoretical instruction is conducted in the building.
  3. *ABST* Afternoon or evening courses have also been conducted since 1959 for reserve officers.
  4. The installation is staffed by a company of 30 to 40 men. The garages house trucks and 2 GAZ-69 jeeps, as well as 8 or 10 AA guns. The guns are of three types; single-barrel, double-barrel, and four-barrel AA MG's.
  5. *ABST* A sketch of the installation
